

ANNOUNCING THE

Recognising and celebrating educators
who inspire kids to read more!

Proudly supported by  **APPA** Australian Primary Principals Association

Do you work alongside a 'Reading Leader' who goes above and beyond to encourage children's reading? Nominate them for the **Scholastic Reading Leader Award**.

Scholastic is dedicated to supporting school leaders in being 'Reading Leaders'.

We are asking principals to nominate a '**Scholastic Reading Leader**' in their school who is dedicated to supporting Independent Reading. This is someone employed by the school who the principal feels is doing something special to bring more students to reading, and engage students in reading.

Scholastic will combine with APPA to celebrate and share their effort nationally.
